

# TABLE TOGETHER *mesa juntas*

PRESENTED BY  
**Southwest** 

Cheers to everyone at the Table!  
Let's raise a glass to being together.

(Say everyone's name at the table!)

Here's to walking across the street.  
Opening our doors.  
Knowing our neighbors  
And sharing our stories.

Here's to being present  
To being open to sharing and listening  
With kindness and curiosity

Here's to our time together  
Here's to our community  
Here's to new connections  
Here's to one another  
And to a neighborhood that thrives
